

**DOCKET NUMBER
PROPOSED RULE PR 20****68FR09595**

From: "Raga Dasi" <ragadasi@hotmail.com>
To: <secy@nrc.gov>
Date: Sun, Jun 29, 2003 9:01 PM
Subject: Dear Nuclear Regulatory Commission

2413

Please insure that we will have no nuclear waste in the marketplace. As an informed and conscientious citizen, I am very concerned about careless usage of waste material to girder buildings and other ordinary uses. Clearly you should maintain stiff regulations with regard to hazardous material, and we're counting on you to do this.
Yours truly, Robin Cannon
