DOCKET NUMBER
PROPOSED RULE PR 20
68FR09595

2414

From: "Chris Demorit" <chrismax@galaxyinternet.net>
To: <secy@nrc.gov>
Date: Sun, Jun 29, 2003 10:04 PM
Subject: Rulemaking on Controlling the Disposition of Solid Materials

I would like to let you know that I do not want to see any radioactive waste in the recycled strream. I understand there already is some this should be reclaimed and rules to stop anymore releases should be put in place.
