

DOCKET NUMBER
PROPOSED RULE PR 20**68FR09595**

From: <jsmay@epix.net>
To: <secy@nrc.gov>
Date: Mon, Jun 30, 2003 3:51 PM
Subject: "scoping" proposal for controlling disposition of sold materials

2492

This sounds like a totally insane proposal to me. Any risk/benefit assessment would most certainly scuttle this proposal.
