**FOIA REQUEST**

Dear FOI Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. s. 552, I request access to and copies of all fitness-for-duty tests performed on all workers employed at Peach Bottom Atomic Power Station and Three Mile Island in Dauphin County, Pa. The data should include tests results from between 1990 to 2003 .

I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$50. However, please notify me prior to your incurring any expenses in excess of that amount.

As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Through this request, I am gathering information on fitness-for-duty test results at Peach Bottom Atomic Power Station and Three Mile Island that is of current interest to the public because the data will explain the condition of workers who operate two nuclear power plants. This information is being sought on behalf of *York Daily Record* for dissemination to the general public.

Please waive any applicable fees. Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

As I am making this request as a journalist and this information is of timely value, I would appreciate your communicating with me by telephone, rather than by mail, if you have questions regarding this request.

I look forward to your reply within 20 business days, as the statute requires.

Thank you for your assistance.

Very truly yours,

*Leon Tuck*
