FROM: William A. Maier, Regional Abnormal Occurrence Coordinator  
Region IV ***/LINDA McLEAN / for***

SUBJECT: PROPOSED ABNORMAL OCCURRENCES AND "OTHER EVENTS OF INTEREST" ITEMS FOR THE THIRD QUARTER FISCAL YEAR 2003

In response to your June 26, 2003 memorandum requesting write-ups for candidate events which may be reportable as abnormal occurrences (AOs), Region IV has no candidates nor updates of previously submitted write-ups for the period in question.

Region IV has conducted some follow-up enforcement action in the case of the Unplanned Radiological Exposure of Oil Rig Workers in Montana from Radioactive Materials Associated with Well Logging Operations (Other Event of Interest Number 8 in NUREG-0090, Volume 25). However, no final actions in this case have been decided. Region IV plans to have all enforcement action finalized and a final update to this event for next quarter's reporting period.
