DOCKET NUMBER
PROPOSED RULE PR 12,50,51,52 et al. (66FR 19610)

(1519)

Janet King
13 Gates Rd.
Wilmington VT 05363

Office of the Secretary
US Nuclear Regulatory Comm.
Washington DC
Attn: Rulemaking and ~~Adjudications~~ Staff

6/5/03

Dear NRC,

I am strongly opposed to eliminating public hearings from the licensing process for nuclear reactors. The public is affected and should be part of the hearing process! The nuclear industry should be required to make full public disclosure of safety issues.

Sincerely, Janet King
