Dear Dr. Sherwin:

Enclosed are three copies of a report associated with the above-referenced contract. The report, entitled "Geomorphic Development of the Canadian River Valley, Texas Panhandle: An Example of Regional Salt Dissolution and Subsidence," by Thomas C. Gustavson, was approved by your office for publication in the Geological Society of America Bulletin.

See RDSalt report file for rpt.

The original version of this report, entitled "Structural Control of the Development of the Canadian River Valley, Texas Panhandle: An Example of Regional Salt Dissolution and Subsidence," was submitted as a FY85 milestone report on March 7, 1985 and carried the open-file number OF-WTWI-1985-7.

For future reference, this final version of the report will carry the open-file number OF-WTWI-1985-7, Revision 1. The original report is superseded by this report.

Sincerely,

Edward C. Bingler
Deputy Director
