Re: Responses to Remaining Questions of "Request For Additional Information On The License Renewal Application For The Cabot Boyertown Facility, SMB-920 (L52461)" dated 14 January 2003. Docket No. 40-6940

Dear Elaine:

This letter and the attached documents are provided as the final submittal, completing our response to your request for additional information (RAI) dated 14 January 2003. Weston Solutions, Inc. is making this submittal on behalf of Cabot Supermetals (CSM) in Boyertown, Pennsylvania to support renewal of NRC Source Material License SM-920. The attached documents supply the responses to questions 1 – 4, 8 –19, 21, and 22 that were not included in prior submittals in response to the RAI.

This submittal includes four Adobe Acrobat files in addition to this letter; one contains the text responses to the questions and the license conditions, another is the revised Review of the Occupational Air Sampling Program, another is the revised Review of the Bioassay Program, and the last contains the revised Decommissioning Cost Estimate. Please contact me at (505) 837-6556 if you have any questions regarding this information.

Sincerely,
Weston Solutions, Inc.
