Dear Mr. Rathbun:

We have been contacted by our constituent, [redacted], requesting some information he is trying to obtain regarding a nuclear accident he was involved in while working for the United States Government.

[redacted] is currently retired and suffering from an illness which he believes was caused by his exposure to Cobalt 60. This accident occurred while he was in Washington State where he was working as an X-Ray technician on the El Paso to Canada Pipeline. He is interested in any information about an accident that occurred there in 1956. He has asked if the company that was subcontracted out has any settlement funds available. Enclosed you will find a copy of the correspondence we received and a signed privacy release form. We would appreciate it if you would please review this matter and provide any information that would assist [redacted]
