**JOINT REQUEST TO MODIFY NONDISCLOSURE AFFIDAVIT  
RELATING TO MODIFIED PROTECTIVE ORDER FOR  
SECURITY PLAN CONTENTIONS AND AIRCRAFT CRASH  
CONSEQUENCES SAFEGUARDS PROTECTED INFORMATION**

On June 26, 2003, the Board issued a Memorandum and Order (Modified Protective Order for Security Plan Contentions and Aircraft Crash Consequences Safeguards Protected Information), to which was attached a Nondisclosure Affidavit. The State, the Staff and the Applicant seek to have the Board delete paragraph 5(e) from the Nondisclosure Affidavit and make that change effective retroactive to June 26, 2003.

The Staff took the lead in coordinating with the parties and submitting to the Board a modification of a Nondisclosure Affidavit issued on December 17, 1997. Paragraph 5(e) of the current Affidavit relates to mailing documents from a facility referenced in paragraph 5(a). This provision, however, would cause hardship on the parties in that it would limit their ability to mail documents from other locations; in addition, the Staff has determined in coordination with the Office of Nuclear Security and Incident Response that this provision is unnecessary so long as the information is properly protected by an authorized individual and is properly stored, attended, handled and packaged prior to mailing. A copy of an

Affidavit with the text of paragraph 5(e) deleted and paragraph 5(f) renumbered as 5(e) is attached hereto.

WHEREFORE, the parties request the Board to reissue the Nondisclosure Affidavit without the current paragraph 5(e) and to issue an order stating that retroactive to June 26, 2003, current paragraph 5(e) shall be non-operative as to any already executed Nondisclosure Affidavits.

DATED this 9th day of July, 2003.

Respectfully submitted,

## NONDISCLOSURE AFFIDAVIT

I, \_\_\_\_\_, being duly sworn, state:

1. As used in this nondisclosure affidavit,

(a) "Protected information" is (i) any form of the security plan, including the safeguards contingency plan, and any amendments thereto (Security Plan), or portions thereof, for the Private Fuel Storage Facility proposed by Private Fuel Storage L.L.C. (Applicant), or (ii) any information obtained by virtue of these proceedings which is not otherwise a matter of public record and which deals with or describes details of the Security Plan, or (iii) any portion of the Applicant's aircraft crash consequences reports, including information obtained by virtue of these proceedings which deals with or describes details of the Applicant's aircraft crash consequences reports, unless otherwise determined by the NRC not to contain Safeguards Information.

(b) An "authorized person" is (i) an employee, consultant or contractor of the U.S. Nuclear Regulatory Commission (NRC or Commission) entitled to access to protected information; (ii) a person who has executed a copy of this affidavit, which has been transmitted to the Atomic Safety and Licensing Board (Licensing Board); or (iii) a person employed by or on behalf of the Applicant and authorized by it in accordance with 10 C.F.R. § 73.21(c)(1) to have access to protected information.

(c) A "document" means any audio or video tape recording or written matter of any kind, whether produced, reproduced, or stored on paper, cards, tapes, ribbons, disks, belts, charts, film, computer files, computer disks or diskettes, computer storage devices or any other medium, and includes, without limitation, books, reports, studies, statements, speeches, notebooks, calendars, working papers, manuals, memoranda, notes, instructions, directions, records, correspondence, diaries, diagrams, drawings, lists, telephone logs, minutes, and photographs, and also includes, without limitation, originals, copies (with or without notes or changes thereon), and drafts.

2. I have read the June 26, 2003 Licensing Board memorandum and order issued in this

proceeding and will comply in all respects with its terms and conditions regarding the protected information produced in connection therewith. I will safeguard protected information in accordance with the terms of this affidavit.

3. I will not disclose protected information to anyone except an authorized person, unless that information has previously been disclosed in the public record of this proceeding. I will safeguard documents containing protected information in written or recorded form (including any portions of transcripts of in camera hearings, filed testimony or any other documents that contain such information), so that the protected information contained therein remains at all times under the control of an authorized person and is not disclosed to anyone else.

4. I will not reproduce or copy any protected information by any means except to the minimum extent necessary consistent with need in accordance with 10 C.F.R. § 73.21(f)(1). I will only destroy protected information by methods that assure complete destruction of the protected information in accordance with 10 C.F.R. § 73.21(f)(2). I understand that I may take notes concerning such protected information, subject, however, to the terms of this affidavit and the Licensing Board's June 26, 2003 memorandum and order. So long as I possess protected information, I will continue to take these precautions until further order of the Licensing Board or the Commission.

5. I will safeguard and hold in confidence any data, notes, or copies of protected information and all other papers that contain any protected information in accordance with 10 C.F.R. Part 73.

(a) When not under my direct control or the direct control of another individual authorized to have access thereto, I will keep and safeguard all documents containing protected information (including, without limitation, any notes that I may take) in a security storage container as defined in 10 C.F.R. 73.2 in a controlled access building that is either attended around the clock or locked at night. Access to the security storage container will be positively controlled by use of keys or other comparable means. Keys and/or knowledge of lock combinations protecting safeguards information shall be limited to authorized persons.

(b) Any secretarial or administrative work performed at my request or under my supervision will be performed only by personnel who have executed a nondisclosure affidavit pursuant to the Licensing Board's June 26, 2003 memorandum and order.

(c) Protected information shall not be discussed by telephone or communicated by email or facsimile transmission unless the protected information is transmitted through the use of an encryption system that the National Institute of Standards and Technology has validated as conforming to Federal Information Processing Standard 140-1 and 140-2, or as otherwise acceptable to the NRC.

(d) If protected information is processed on or with automated data processing, computerized word processing equipment, or a personal or laptop computer, access to such equipment shall require the use of an entry code for access to stored protected information. If use of an entry code is not feasible, protected information may be processed on, but shall not be stored in, such equipment. Additionally, any such word processing equipment, data processing equipment, or computer that is used to process or store protected information shall be operated as stand-alone or free-standing equipment, not connected to any other such equipment by means of a Local Area Network (LAN) or Wide Area Network (WAN) or other data-sharing system in accordance with 10 C.F.R. § 73.21(h). Further, if any protected information is backed up or stored on a computer hard drive or other device, that drive or device shall be capable of being removed and shall be stored in the security storage container referred to in paragraph 5(b) above, when not in use.

(e) Each document that has been determined by the NRC to contain Safeguards Information, as defined in 10 C.F.R. § 73.2, shall be marked "Safeguards Information" in a conspicuous manner to indicate the presence of protected information, as set forth in 10 C.F.R. § 73.21(e). Documents, or portions thereof, originally determined by NRC to contain Safeguards Information but later determined by the NRC not to contain Safeguards Information shall no

longer be subject to the Licensing Board's June 26, 2003 memorandum and order or this non-disclosure affidavit.

6. If I prepare documents containing protected information to participate in further proceedings in this case, I will assure that any secretary or other individual who must receive protected information to help me prepare those documents has executed an affidavit like this one and has agreed to abide by its terms. Copies of any such affidavit will be filed with the Licensing Board promptly upon execution.

7. I shall use protected information only for the purpose of preparation for any proceedings in this case dealing with Security Plan issues or aircraft crash consequences, and for no other purpose.

8. I shall keep a record of all documents containing protected information in my possession, including any copies of those documents or portions thereof made by me or on my behalf. At the conclusion of this proceeding, I shall account to the Licensing Board or the Commission, or to a Commission employee designated by the Board or the Commission, for all the documents or other materials containing protected information in my possession and deliver them as provided herein. When I have finished using the protected information they contain, but in no event later than the conclusion of this proceeding (including any related Commission or judicial appeals), I shall deliver those documents and materials for disposal or safekeeping, as may be determined to be appropriate by the Licensing Board or the Commission, to the Licensing Board or the Commission, to a Commission employee designated by the Board or the Commission, or to a person authorized to receive protected information on behalf of the Applicant.

9. I make this agreement with the following understandings:

(a) I do not waive any objections that any other person may have to executing an affidavit such as this one;

(b) I do not waive any objections that I may have or raise at a subsequent time in this proceeding, concerning an expert's qualifications to testify concerning Security Plan issues or aircraft crash consequences issues; and

(c) I will not publicly discuss or disclose any protected information that I receive by virtue of this proceeding, and will not corroborate the accuracy or inaccuracy of information obtained outside this proceeding by using protected information, or my knowledge thereof, gained through the hearing process.

10. I acknowledge that any violation of the terms of this affidavit or the Licensing Board's June 26, 2003 memorandum and order, which incorporates the terms of this affidavit, may result in the imposition of sanctions as the Licensing Board or the Commission may deem to be appropriate, including, but not limited to, referral of the violation to appropriate disciplinary authorities. I further acknowledge that any unauthorized disclosure of protected information or breach of the protective order issued in this proceeding may be grounds for the imposition of civil and/or criminal penalties, as set forth in 10 C.F.R. § 2.744(e) and sections 223 and 234 of the Atomic Energy Act of 1954, as amended, 42 U.S.C. §§ 2273, 2282.

WHEREFORE,

I do solemnly agree to safeguard such protected information as may be disclosed to me in this proceeding, in accordance with the terms of this affidavit.
