MEETING OF DECEMBER 15, 1988

Dear John Mr. Linehan:

I enjoyed meeting with Mr. Browning, Mr. Youngblood and you on December 15, 1988, and having the opportunity to participate in the NRC study plan meeting and explain Clark County's concerns relative to the proposed Yucca Mountain Repository.

I feel that the current coordinative process can be productive and can assist in identifying and resolving issues associated with the licensing repository.

I'll look forward to seeing you at the next meeting. Should you have any questions or information needs, please feel free to contact me.

Sincerely yours,

DENNIS A. BECHTEL
Coordinator
