Dear Dr. Bradbury:

Enclosed is a copy of the Scientific Investigation Plan (SIP) for the Los Alamos NNWSI task entitled "Sorption and Precipitation," which should provide you with the information you requested in our telephone conversation of December 30, 1986. This document was prepared to facilitate assignment of Quality Assurance Levels to the work and is not intended to have either the scope or detail of a Study Plan.

Sincerely,

Gerald L. DePoorter
