MEMORANDUM

DATE: January 15, 1986

TO: King Stablein

FROM: Paul T. Prestholt, Sr. On-Site Representative

SUBJECT: NRC HLW-related reports (NUREG & others)

Attached is a copy of a letter received from Don Oakley of Los Alamos National Laboratory requesting that his office be added to the distribution list for the above captioned reports. If possible, I feel that we should accomodate this request and ask that you take the appropriate action to get Los Alamos added to the distribution list.

Thanks,

Paul
