Executive Director

SUBJECT: Comments on DOE's Consultative Draft Site  
Characterization Plan

---

Enclosed please find a copy of comments compiled by the Nevada Agency for Nuclear Projects/Nevada Nuclear Waste Project Office on the Department of Energy's consultative draft Site Characterization Plan for Yucca Mountain.

These comments are the result of over eight months of intensive review of the draft plan by the Nevada Nuclear Waste Project Office and its contractors.

Should you have any questions or desire additional copies, please do not hesitate to contact the office.
