MEMORANDUM FOR: Enrico Conti, Chief
Waste Management Branch
Division of Health, Siting
and Waste Management

FROM: Malcolm Knapp, Acting Chief
Geotechnical Branch
Division of Waste Management

SUBJECT: PARTICIPATION BY G. BIRCHARD IN NNWSI GEOCHEMISTRY
WORKSHOP AND PROJECT A7150 REVIEW AT LOS ALAMOS, NM -
OCTOBER 25, 1983

In a note to George Birchard dated August 19, 1983, John Starmer invited him to attend the NNWSI geochemistry workshop. It will be held October 25-26, 1983 at Los Alamos, New Mexico. George's participation in the January 1983 workshop contributed greatly to its success and we therefore, request that you authorize his attendance at the upcoming workshop.

In addition, John will be conducting a review of our contract A7150, "Field Studies and Modeling of Chemical Processes in the Unsaturated Zone" on October 27, 1983. George has been a helpful critic of this project since its inception and his input would be valued. Please authorize his participation.
