MEMORANDUM FOR:

Robert E. Browning, Director
Division of Waste Management

THRU:

Hubert J. Miller, Chief
Repository Projects Branch
Division of Waste Management

FROM:

Seth M. Coplan
Repository Projects Branch
Division of Waste Management

SUBJECT:

OPS PLAN COMMITMENT 5314212

This memorandum satisfies Operating Plan Commitment 5314212 due December 2, 1983. The commitment requires completion and documentation of four workshops. On July 29, the following workshop schedule was agreed to with NNWSI.

Hydrogeology	September 20-21
Geology/Tectonics	October 4-7
Performance Assessment	October 13
Waste Form/Waste Package	October 18-19
Geochemistry	October 25-26
Design	November 8-9
Quality Assurance	Week of December 5

The Hydrogeology, Geology/Tectonics, and Waste Form/Waste Package workshops were held as scheduled. However, by telephone call on October 11 and two follow-up letters (attached as Enclosure 1) DOE postponed the remaining workshops indefinitely.

On November 16, I sent the letter attached as Enclosure 2 to Donald Vieth to initiate rescheduling of the workshops. A similar letter to J. W. Bennett is being prepared; however, as yet no new schedule has been discussed or established with DOE. These workshops will be added to the OPS plan when they are rescheduled.
