Dear Ms. Still:

It has come to our attention that the Commission staff has produced several documents related to the establishment of a Licensing Support System. I am requesting copies of SECY 86-133, SECY 86-308 and SECY 87-140. In addition to these, I am also interested in obtaining SECY 87-62 and SECY 87-91. These documents will be useful in assessing the Commission's program. If you have any questions, please contact Don Christy of my program staff.

Thank you for your prompt attention to and cooperation in this matter.

Very truly yours,
