SUBJECT: NOTICE OF UPCOMING MEETINGS

This notice of meetings is being sent to you as a result of the July 19-20, 1983 meeting. It will be updated weekly and sent to you for your information. It reflects only meetings which we are aware of; therefore, if you are aware of a meeting that you would like to have appear on this list to facilitate planning among us, please phone the information to Linda McClain (614/424-5916) so that the next notice can reflect that information.*

The announcements of DOE meetings with NRC and other Federal agencies (which can be reached at the following toll-free telephone numbers: for calls originating in Maryland, 800-492-4610; for calls originating in the other 49 states, 800-368-2235) will be updated each Monday to reflect the information on this notice related to meetings with the NRC and other Federal agencies.

UPCOMING MEETINGS

- January 22-24 - NRC/SRP meeting in Columbus on Waste Package.
- February 3 - SRPO availability session, Vega, Texas information office.
- February 4 - SRPO to participate in National Association of Conservation Districts Annual Convention, Nashville, TN.
- February 4-6 - SRPO to host ISCG in Dallas, Texas.
- February 7 - SRPO availability session, Hereford, Texas information office.
- February 18 - SRPO to participate in University of Texas Science Technology Hearing, per request of Dr. Margaret Maxey.
- TBD - NRC meeting with DOE in Washington, D.C., to plan FY 86 meetings. SRP to participate.
