Dear Teek:

I have been informed by Susan Zimmerman of this Office about the upcoming NRC briefing to the State of Nevada regarding issue resolution, negotiated rulemaking, and quality assurance. I would like to request a similar briefing for the State of Texas on these subjects. Please contact me or Susan to coordinate a date and an agenda for this briefing. If you could also indicate the NRC personnel that might be attending, it would help with acquiring the conference room.

Thank you for your interest in this matter, and I look forward to a productive briefing in the near future.

Sincerely,

Susan Zimmerman for Steve Frishman, Director Nuclear Waste Programs Office
