RE: DHR Project File Number: 2003-5098
Received by DHR June 12, 2003 *DMC 7/8/03*
Nuclear Regulatory Commission
Reclamation Activities Within a Four-Acre Property at Test Area C-74L
Walton County

Dear Dr. Spitzberg:

Our office received and reviewed the above referenced project in accordance with Section 106 of the *National Historic Preservation Act of 1966*, as amended and *36 CFR Part 800: Protection of Historic Properties* and the *National Environmental Policy Act of 1969*, as amended. The State Historic Preservation Officer is to advise Federal agencies as they identify historic properties (listed or eligible for listing, in the *National Register of Historic Places*), assess effects upon them, and consider alternatives to avoid or minimize adverse effects.

We have reviewed the Florida Master Site File and our records and no historic properties are known to exist in the area of potential effect. Therefore, based on the information provided, it is the opinion of the office that the proposed undertaking will have no effect on historic properties.

If you have any questions concerning our comments, please contact Scott Edwards, Historic Preservation Planner, by electronic mail sedwards@dos.state.fl.us, or at 850-245-6333 or 800-847-7278.

Sincerely,

Frederick P. Gashe, Deputy SHPO
Janet Snyder Matthews, Ph.D., Director, and
State Historic Preservation Officer
