RE: VISIT TO NTS

Dear Mr. West:

We request access to the Nevada Test site for July 24, evening, July 25, 26, and 27, 1989. The badge information was submitted previously for the trip that was postponed in June. We have been informed that it is not necessary to submit the information a second time.

Briefings have been coordinated with YMPD; Bill Hughes, YMPD, and Paul T. Prestholt will escort this tour.

We prefer badging to be done at Mercury on the evening of July 24. It is anticipated that the following will be the participants:

David J. Brooks, Donald L. Chery, Jr., Neil M. Coleman, William H. Ford, Roberto Pabalan (Philippines), Jeffrey A. Pohle, and Frederick W. Ross.

The proposed agenda is to be submitted to you by Bill Hughes.

Thank you for your consideration.

Sincerely,

PAUL T. PRESTHOLT
