

July 31, 1989

NOTE TO: Document Control System
FROM: *King* Stablein, NMSS/DHLWM/HLPD
SUBJECT: LOCATION OF SEPDB TAPE

The attached letters from DOE transmit the computer tape of DOE's Site and Engineering Properties Data Base (SEPDB) to NRC. The tape will be maintained and used by the Hydrologic Transport Section, located on the fifth floor of White Flint. Don Chery, Section Leader for the Hydrologic Transport Section, is the contact should there be inquiries regarding the tape.

If you have any questions concerning this arrangement for the maintenance of the tape, please contact me at x20446.
