Log of Security Events Q-8 Surveillance

University of Florida Training Reactor: Facility License R-56, Docket No. 50-83

Enclosed is our most recent quarterly log of security events for the University of Florida Training Reactor (UFTR) R-56 License at the University of Florida. There are three entries on the log for this quarter (the previous submittal was in January 2002). These entries are for outages of parts of the security system which were evaluated as a minor loss of effectiveness that was properly compensated. Further details are available with the enclosed log.

Thank you for your consideration. If further information is needed, please let me know.

Sincerely,
