Dear Dr. Greeves:

Re: NRC Personnel Visit to CRNL

As August 4 is a company holiday, your alternative date of August 11 would be suitable for a visit by NRC staff members, Michael Tokar and Joseph Kane.

I would suggest that your people make arrangements to fly to Ottawa, then drive via rental car to Chalk River, a distance of approximately 194 km and/or a 2-1/2 hour drive. A map is attached for their reference. Upon arrival at CRNL, at approximately 10:30, they can pick up their security visitors' badges at the Main Entrance, and I will be called to meet and escort them into our facilities.

After an initial introduction to CRNL and the Waste Management Technology Division, a tour will be arranged to visit the Waste Treatment Centre, Waste Management Areas, and the Outer Area. Discussions and tour can be completed by mid-afternoon should they wish to return to Ottawa to accommodate travel times.

If there are any questions, please feel free to contact my office.

Yours sincerely,

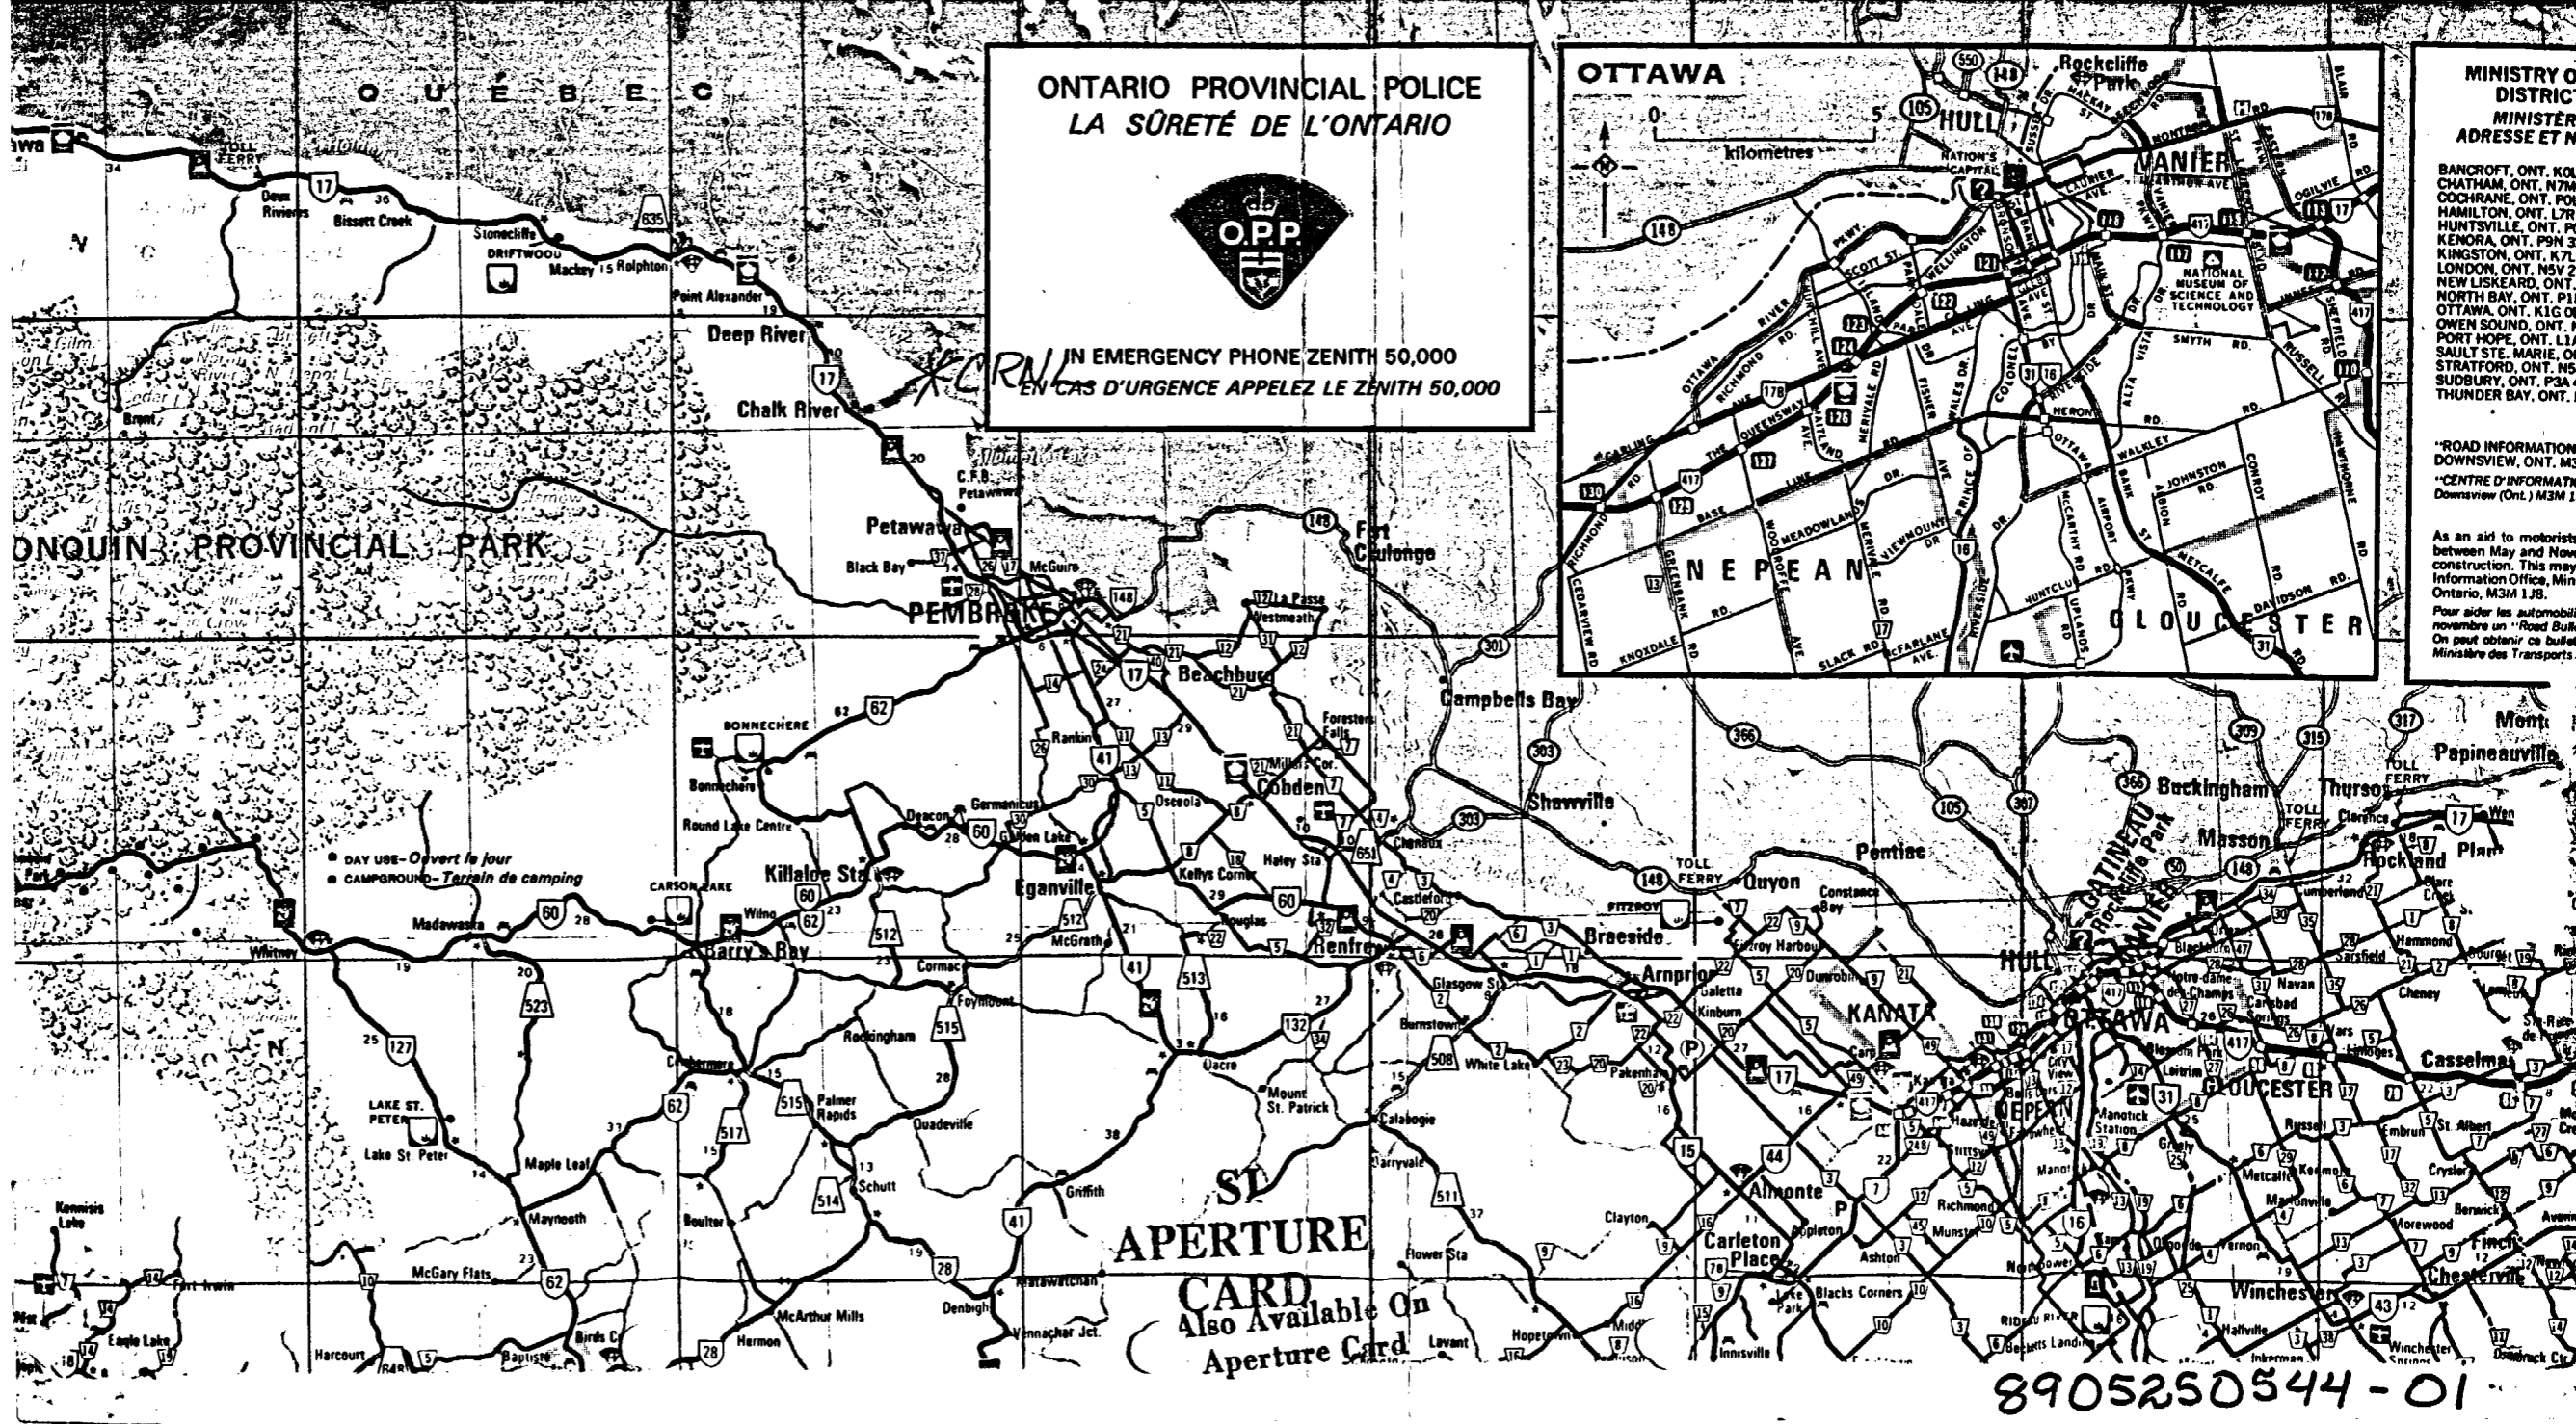

D.H. Charlesworth,  
 Director
