Once DOE has completed its preliminary assessment of the impact on the program of the First Circuit Court opinion and/or EPA's subsequent action, DOE will communicate that assessment to the ISCG membership, and arrange for follow-up discussion as appropriate. Affected parties suggest this issue as an agenda item for the October DOE-States/Indian Tribes meeting.	OGC	
2. DOE will respond in writing to Item #1(c) in Dan Silver's letter of January 9, 1987 relating to the exchange of information between WIPP and OCRWM.	W. Probst	
3. In January 1986 DOE received a written communication from the CTUIR naming three preconditions for the resumption of C&C negotiations; DOE will respond in writing to the oral statement by Bill Burke of the CTUIR indicating that those preconditions have been met.	B. Gale	
4. Vic Trebules will provide copies of his remarks pertaining to proposed Congressional legislation to the ISCG membership.	V. Trebules	8/10/87

FINANCIAL ASSISTANCE

15. DOE will alert Jerry Saltzman (and the Salt Lake City group) of the concern that Principle #3 of the "Principles and Policies for OCRWM Financial Assistance Rulemaking" be clarified to restrict its interpretation to the financial management public trust responsibilities of affected parties under NWPA, and to also consider whether Principle #3 is needed at all, or is covered under Principle #2.	B. Gale	
16. States and Indian Tribes will send written comments to Allen Benson on the draft "Special Grant Condition on Data and Reports."	States and Indian Tribes	8/24/87
