Robert Browning, Director
Division of High Level Waste Management
Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Browning:

My letter to you dated August 31, 1987 provided details for a briefing on SCP issues hierarchy/performance allocation, originally scheduled for September 29-30. In order to avoid inconvenience due to the States/Tribes meeting to be held on October 1, we have re-scheduled the meeting.

The SCP issues hierarchy/performance allocation briefing will be held on October 8-9, 1987 in room 1E-245, Forrestal Building, 1000 Independence Avenue S.W., Washington, D.C., beginning at 8:30 am. We will use the same agenda and background material previously provided and, as a reminder, we can facilitate entrance into the Forrestal Building if we have the name, affiliation and nationality of participants in advance. The States and Tribes are being notified of the change of date by copy of this letter. Please call me (202-586-9300) or Dr. Owen Thompson (202-586-5003) if you have any questions.

Sincerely,

James P. Knight / FOR SPK
James P. Knight, Director
Siting, Licensing, and Quality
Assurance Division
Office of Geologic Repositories
