

United States Government

Department of Energy

memorandum

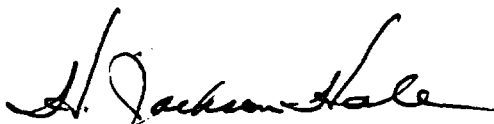

DATE: September 10, 1987

REPLY TO
ATTN OF: RW-33

SUBJECT: Rescheduling of November Technical Code Coordination Group (TCCG) Meeting

TO: Distribution

A number of TCCG members have raised some concerns over the dates for the next TCCG meeting, since one of the previously scheduled days (i.e., Wednesday, November 11) is Veterans Day. In order to accommodate these concerns and to avoid conflict with the overall schedule for the OCRWM coordinating group meetings, the TCCG meeting has been rescheduled to November 4 and 5, 1987. As planned earlier, the meeting will be held at Las Vegas, Nevada. A draft agenda for this meeting will be distributed within the next few weeks.
