MEMORANDUM FOR: William V. Johnston, Assistance Director
Materials, Chemical and Environmental Technology
Division of Waste Management, WCET

FROM: Lake H. Barrett, Chief
Engineering Branch
Division of Waste Management, WMEG

SUBJECT: MATERIALS EXCHANGE MEETING

In reference to our previous telephone conversations, we have prepared an agenda for an information exchange meeting between your staff, NMSS and RES on materials and corrosion. Please note that the October 25, 1984, date we had discussed is incompatible for the RES people. We are suggesting November 1, 1984, as an alternative.

If you have any questions or comments, please T. Johnson at x74088,

Lake H. Barrett, Chief
