MEMORANDUM FOR: Robert L. Johnson
Repository Projects Branch
Division of Waste Management

FROM: Timothy C. Johnson
Engineering Branch
Division of Waste Management

SUBJECT: WASTE PACKAGE WORKSHOPS

This memorandum is to confirm our conversation on December 31, 1984, regarding the scheduling of Waste Package Workshops with the Department of Energy (DOE). As you recall, we agreed that the workshops should be held during the period (April - June) following our review of the Environmental Assessments (EAs). Agendas would be prepared around our comments in the waste package area. I also agreed to discuss the workshop scheduling with S. Coplan who is preparing a master list of critical meetings with DOE for the first half of CY85.

If you have any questions, please contact me at x74088.
