JAN 23 1989

Mr. John Linehan, Director
Repository Licensing and Quality
Assurance Directorate
Division of High-Level
Waste Management
Office of Nuclear Material
Safety and Safeguards
Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Linehan:

Enclosed, in response to the commitment made regarding NRC Item 11 at the July 7, 1988, NRC/DOE meeting on Quality Assurance, is a list of Yucca Mountain Project Office Administrative Procedures (AP) and Branch Technical Procedures (BTP) that are related to core handling.

This list is provided for NRC staff to evaluate which procedures they would like to receive for information in the future. At this time, neither the APs nor the BTPs have been approved and are not available for distribution.

If you have any questions, or require additional information please contact me at 586-1462.

Sincerely,

Gordon Appel, Chief
Licensing Branch
Office of Civilian Radioactive
Waste Management
