MEMORANDUM FOR: Regis Boyle, Section Leader
Regulatory Branch
Division of Low-Level Waste Management
and Decommissioning, NMSS

FROM: A. T. Cardone
Operations Branch
Division of Industrial and
Medical Nuclear Safety, NMSS

SUBJECT: STAFF REVIEW OF FEIS ON THE HANFORD DEFENSE WASTE

I have reviewed the FEIS on the Hanford defense waste as requested.
Enclosed are my final comments on this document which have not significantly
changed from my original comments provided to Chad Glenn on February 8, 1988.
This should conclude my input to the technical assistance request for my
participation in the subject FEIS review.
