MEMORANDUM FOR: Regis Boyle, Section Leader  
Regulatory Branch  
Division of Low-Level Waste Management  
and Decommissioning, NMSS

FROM: A. T. Cardone  
Operations Branch  
Division of Industrial and  
Medical Nuclear Safety, NMSS

SUBJECT: STAFF REVIEW OF FEIS ON THE HANFORD DEFENSE WASTE

I have reviewed the FEIS on the Hanford defense waste as requested. Enclosed are my final comments on this document which have not significantly changed from my original comments provided to Chad Glenn on February 8, 1988. This should conclude my input to the technical assistance request for my participation in the subject FEIS review.
