

JUL 17 1981 - 01

Dr. John Schilling
Nevada Bureau of Mines
and Geology
University of Nevada
Reno, Nevada 89557

Dear John:

I am sorry that we missed you when coming to Reno in late February,
but I understand how things are for you when the legislature is in
session.

Many thanks for arranging the meeting with your associates, which was
helpful in understanding the mineral resource picture around the Nevada
Test Site.

For your information, I enclose a copy of our trip report.

Best wishes.

Sincerely,
