REQUEST FOR EXTENSION OF DUE DATE FOR STANDARD DEFICIENCY REPORT (SDR) 392
RESPONSE, CONTRACT #DE-AC08-87NV10576

The effort required to generate the detailed calibration control methodology requirements outlined in your letter dated November 9, 1989 regarding our response to SDR 392 has proved more time-consuming than anticipated. We therefore request an extension of the response date to December 1, 1989.

John H. Nelson, Project Manager
