**Joint Meeting**

October 21, 1988  
1:00-3:00 p.m.  
EFSEC Hearing Room  
Lacey, Washington

AGENDA

- |    |                                                                                                                                                                        |                                                                |
|----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------|
| 1. | Introductory Remarks                                                                                                                                                   | Warren Bishop                                                  |
| 2. | Hanford Dose Reconstruction Project                                                                                                                                    | Dr. John Till, Chair<br>Technical Steering Panel               |
| 3. | Northwest Hazardous Waste Research,<br>Development, and Demonstration Center                                                                                           | Representative of USDOE<br>Richland Operations and<br>Battelle |
| 4. | Development of Joint Washington-Oregon<br>Position on Fiscal 1990 Funding for Hanford<br>Cleanup and National Framework for Cleanup of all<br>Contaminated USDOE Sites | Curt Eschels<br>Jeff Breckel                                   |
| 5. | Public Comment                                                                                                                                                         |                                                                |

The Nuclear Waste Board and Advisory Council welcomes and encourages public participation during the monthly meetings. The Chairman will invite public comment at various points during the meeting. In addition, if there are specific agenda items which you wish to comment upon please sign the sheet on the back table and you will be invited to comment when the Board and Council reaches that agenda item.
