

NUCLEAR REGULATORY COMMISSION

Governors' Designees Receiving
Advance Notification of Transportation
of Nuclear Waste

On January 6, 1982 (47 FR 596 and 47 FR 600), the Nuclear Regulatory Commission (NRC) published in the Federal Register final amendments to 10 CFR Parts 71 and 73 (effective July 6, 1982), that require advance notification to Governors or their designees by NRC licensees prior to transportation of certain shipments of nuclear waste and spent fuel. The advance notification covered in Part 73 is for spent nuclear reactor fuel shipments and the notification for Part 71 is for large quantity shipments of radioactive waste (and of spent nuclear reactor fuel not covered under the final amendment to 10 CFR Part 73).

The following list updates the names, addresses, and telephone numbers of those individuals in each State who are responsible for receiving information on nuclear waste shipments. The list will be published annually in the Federal Register on or about June 30 to reflect any changes in information.

Questions regarding this matter should be directed to Rosetta O. Virgilio, Office of State and Tribal Programs, U.S. Nuclear Regulatory Commission, Washington, DC 20555, (INTERNET Address: rov@nrc.gov) or at (301) 415-2367.

Dated at Rockville, Maryland this 20th day of June 2003.

For the Nuclear Regulatory Commission.

/RA/

Paul H. Lohaus, Director,
Office of State and Tribal Programs.
