SUBJECT: AGENDA FOR FEBRUARY 21, 1989 ACNW MEETING

Enclosed is an agenda for the subject meeting as discussed in our February 1, 1989 telecon. Our presentation on NRC's CDSCP concerns will be an update of our previous briefings to the ACRS/ACNW at the time of issuance of the CDSCP point papers. Due to the early stage of our review of the SCP, we will not be in a position to discuss how DOE has responded to these concerns.
