Dear Mr. Linehan:

Enclosed is Revision 4 of the Quality Assurance Requirements Document (QARD) and Revision 3 of the Quality Assurance Program Description (QAPD) for your review and acceptance.

The revisions were necessary to make the documents reflect the recent reorganization of OCRWM and also to incorporate the NRC comments which resulted from the previous revisions to the subject documents. Other changes/clarifications have been previously discussed with your staff. All changes are indicated by revision bars.

Should your office have any questions or require further information in support of your review, please contact the Office of Quality Assurance at 586-8858 or me at 586-6046.

Sincerely,
