Dear Roy:

For your information, I enclose copies of some recent communications with the DOE office in Richland concerning the late September review visit to BWIP. Please note that the first event is a 3:00 PM meeting with NRC participants on Monday, Sept. 21. At that time, we will discuss assignments and divisions of responsibility.

I should mention that the arrangements are still under discussion and may change somewhat from the enclosed. In any case, I shall telephone you in early September about our plans and the locale for the September 21 meeting.

We have booked you at Nendels Motel, Richland, where we are also staying. If you have another preference, cancel at Nendels (telephone 509-943-4611).

Sincerely,

Robert J. Wright
