- 1 -

MEMORANDUM FOR: Richard A. Weller, Section Leader
 Engineering Section
 Engineering Branch, HLWM

FROM: Ronald L. Ballard, Chief
 Geosciences & Systems Performance Branch, HLWM

SUBJECT: REVIEW OF DRAFT TECHNICAL POSITION ON RETRIEVAL
 DEMONSTRATION

Enclosed are comments on the draft of the technical position entitled, "Retrieval Demonstration During Site Characterization" developed after a brief review by the HLGP staff. They consist of a two-page list of comments from Robert Neel and comments included in a mark-up of the text of the subject technical position.

An additional comment by J. Trapp is that "Anticipated Processes & Events" and "Unanticipated Processes & Events" are not applicable during the retrieval period.

If you have any questions with regard to these comments, please direct them to P. Justus on extension X23460.
