Re: NRC visit to NTS

Dear Mr. West:

We request access to the Nevada Test site for Tuesday, Wednesday, Thursday, and Friday, August 23, 24, 25, and 26, 1988.

The visit is for the purpose of observing the Quality Assurance audit of REECO activities at the Test Site. The escort will be the Lead Auditor Steve Hans, SAIC. The areas to be visited will be the same as those areas requested by SAIC.

We prefer badging to be done at Mercury. U.S. Security Information sheets for the individuals attending are attached. It is anticipated that the following will be the participants:

James P. Donnelly, Joseph J. Holonich, Newton K. Stablein, and John W. Gilray. (J. W. Gilray has his red badge as of 8/5/88)

Thank you for your consideration.

Sincerely,

Paul T. Prestholt
