MAR 03 1988

Dear Mr. Loux:

A meeting will be held at 8:30 a.m. between representatives of the DOE and NRC on March 18, 1988 in conference room 4-B-11 of the NRC White Flint Building in Rockville, Maryland. The purpose of the meeting will be to discuss the January 20, 1988 DOE responses to the NRC's request for additional information on the DOE NVO-196-17 and NNWSI SOP-02-01 quality assurance documents. In addition, the DOE will discuss their proposed responses to the NRC's October 9, 1987 request for additional information on the Los Alamos National Laboratory (LANL) Quality Assurance Plan. The pre-meeting information for the NVO 196-17 and SOP-02-01 documents will be furnished to the State of Nevada through a letter from J. Blaylock dated March 3, 1988.

Should you have any questions on this meeting, please contact Bill Belke of my staff on (301) 492-0445.

Sincerely,

151

B. J. Youngblood, Chief  
Operations Branch
