SUBJECT: HQ Approval of NNWSI Procedures

TO: Don Vieth, WMPO-NVO

Your memo of June 9, 1986 requests clarification of policy on approval of project procedures. The OCRWM policy is that QA plans and QA administrative procedures be submitted to HQ-OGR for review and approval and that project offices not issue QA plans and QA administrative procedures until so authorized by HQ-OGR. As in the past, the project may issue draft QA plans and draft QA administrative procedures for interim use pending receipt of HQ-OGR approval, provided that those to whom the documents are issued are so advised. This policy is reflected in the revised OGR QA plan which is to be issued shortly; in the interim, please adopt this policy.
