RE: NRC Visit to NTS

Dear Ms. Guinn:

The Nuclear Regulatory Commission, Division of Waste Management, requests access to the Nevada Test Site on Monday, March 2, 1987.

The facility to be visited is "P" tunnel.

A briefing is requested.

We prefer badging to be done at Mercury. Security Information sheets for the following individuals are attached.

Dinesh Gupta	Keith McConnell
John Peshel	Loren Lorig
King Stablein	Bill Ford
Charlotte Abrams	Kanaan Hanna
	David Conover

Dr. Larry McKague, Lawrence Livermore National Laboratory, will lead the NRC group.

Thank you for your consideration.

Sincerely,

PAUL T. PRESTHOLT

Sr. On-Site Licensing  
Representative
