Re: PROPOSED APPENDIX 7 VISIT TO THE USGS OFFICE IN DENVER  
ON FEBRUARY 18, 1987

Dear Dr. Vieth:

Please reference my letter of February 4, 1987, proposing an Appendix 7 visit to the USGS office in Denver, Colorado, on February 18, 1987. Dr. Tilak Verma, of the NRC staff, has discussed this visit with Dr. Bill Wilson, of the USGS, and has determined that the above date is inappropriate. Dr. Wilson will be on annual leave that week and wishes to be present during an NRC visit.

The NRC will propose another date for this visit in the future.

Please contact me on (702) 388-6125 (FTS: 598-6125) if there are any questions.
