Mr. Robert R. Loux
State of Nevada
Department of Energy
400 W. King Street
Room 106
Carson City, NV 89710

Dear Mr. Loux:

In response to your request during our telephone conversation of April 19, I am sending you a copy of the comments submitted by the Nuclear Regulatory Commission (NRC) to the Department of Energy (DOE) on their proposed siting guidelines.

Although not required under the Nuclear Waste Policy Act of 1982, the NRC decided to provide staff comments to DOE. These staff comments do not constitute Commission concurrence. The Commission will consider the DOE revised guidelines and NRC staff comments in reaching its decision on concurrence.

Sincerely,

"ORIGINAL SIGNED BY"
