Re: Your letter of October 5, 1982 to Senator Keith Ashworth

Dear Mr. Davis:

Your October 5th letter has finally found its way to me for action. We appreciate the opportunity for the Nevada Legislature to be kept informed as the study of the Nevada site and others progresses. We have designated a study committee of the legislature to act as our point of contact on this matter.

The chairman of that sub committee is Senator Thomas J. Hickey of North Las Vegas. His address is:

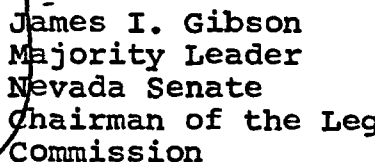

P.O. Box 3433  
Las Vegas, Nevada 89030

We would recommend that all correspondence and requests to our legislature be sent to Senator Hickey for follow through.

Thank you.
