Nuclear Regulatory Commission
Division of Waste Management
Policy and Program Control Branch
Washington, D.C. 20555

Dear Rob:

During the meeting on January 25 in Carson City between NRC and the State, the NRC committed to providing certain documents to the State. This letter outlines that commitment as we understand it.

NRC is to provide the following documents:

- 1) NRC site characterization review plan.
- 2) Copies of applicable NRC regulatory guides and a schedule of upcoming guides.
- 3) NRC Waste Management Program Plan.
- 4) Plan and schedule for technical model studies.
- 5) List of NRC contractors for waste management program.
- 6) NRC proposed revisions to 10 CFR Part 60, subpart C.
- 7) Copies of all appropriate staff site technical position papers and a schedule of upcoming position papers.
- 8) List of NRC contractors in Research Branch whose work is directly applicable to the Nevada project.

Please call if additional clarification is required.

Regards,

Carl A. Johnson
