It has come to our attention that the NRC intends to hold the following meetings with the U. S. Department of Energy - NNWSI Project:

November 8 - Las Vegas
Topic: Licensing Process
December 6-7 - Las Vegas
Topic: Quality Assurance

Both topics are of vital interest to the State of Nevada and its review of the NNWSI project. We request attendance at these meetings as granted in the stipulations of the Morgan-Davis Agreement.

Please contact me if there are any questions.

Sincerely,
