During the September 17-28 NNWSI Geology Data Review you mentioned that you had not received materials documenting several of the DOE/NRC/State interactions over the past year. Enclosed are the materials in which you expressed an interest:

1. Workshop summaries for the September 20-21, 1983 Hydrogeology Workshop, the October 4-6, 1983 Geology Workshop, and the October 18-19, 1983 Waste Package Workshop;
2. Workshop summary for the July 10-13, 1984 Geochemistry Workshop;
3. Data Review summary for the July 17-20, 1984 Rock Mechanics/Design Data Review and Site Visit;
4. Data Review summary for the July 25-28, 1984 Hydrogeology Data Review.

In the future Cathy Russell will routinely send you copies of such materials as soon as they become available.

Sincerely,

Original Signed By:
